**REPORTING YOUR CREDIT**

This on-demand seminar was originally presented as a live webcast on September 29, 2025, in Seattle, WA. If you attended the live webcast and reported CLE credits, you cannot also report credits from watching or listening to this recording if repeated within your three-year reporting period.

**DESCRIPTION**

This session will focus on what happens prior to and after the mediation session. A successful mediation does not just take place in the conference room, virtual or otherwise. Learn how to leverage information before the first introduction is even made to optimize your chances at resolution. Topics will include timing of the mediation, selection of the mediator, format of the mediation, and content of the mediation submission. The presenters will cover what happens before and after the mediation, including pre-session calls and “M&M” evaluations.
