REPORTING YOUR CREDIT

This on-demand seminar was originally presented as a live webcast on August 14, 2025. If you attended the live webcast and reported CLE credits, you cannot also report credits from watching or listening to this recording if repeated within your three-year reporting period.

DESCRIPTION

Join us on-demand for part one of a two-part CLE series on metadata in legal practice. Metadata can expose sensitive, confidential, and privileged information, posing significant ethical and security risks. This session will explore the potential dangers of metadata, including unintentional disclosure of confidential data, and provide practical steps for effectively removing metadata to protect your information.

PRESENTERS
