REPORTING YOUR CREDIT

This on-demand program was a live seminar presented on October 7, 2025. If you attended or viewed the original presentation, please note that WSBA members may not claim credit for the same CLE sessions if repeated within their three-year reporting period.

DESCRIPTION

Although many AI tools focus on civil law, they also provide significant benefits for criminal law. This course offers a clear, non-technical overview for criminal lawyers to understand AI, its advantages, and limitations. It provides practical guidance on using both free and paid tools and examines the unique evidentiary, ethical, and practical implications of AI in criminal law.
