

Imagining a Healthy Environment for All (Legal Lunchbox™ Series)

ORIGINAL PROGRAM DATE

September 24, 2024

*Presented in collaboration with the
WSBA Equity & Justice Team*

REPORTING YOUR CREDIT

This on-demand seminar was originally presented as a live webcast on September 24, 2024, in Seattle, WA. If you attended the live webcast and reported CLE credits, you cannot also report credits from watching or listening to this recording if repeated within your three year reporting period.

DESCRIPTION

This seminar provides an overview of environmental justice and Washington's Healthy Environment for All (HEAL) Act. Passed in 2021, the HEAL Act is the first statewide law in Washington to create a coordinated state agency approach toward eliminating environmental and health disparities among communities of color and low-income households.
