REPORTING YOUR CREDIT

This on-demand program was a live seminar presented on May 26, 2026. If you attended or viewed the original presentation, please note that WSBA members may not claim credit for the same CLE sessions if repeated within their three-year reporting period.

DESCRIPTION

This seminar is a practical training that helps attendees recognize and interrupt the small, often unintentional behaviors that signal who belong and who does not. Participants learn to identify patterns in everyday interactions, distinguish intent from impact, and practice low-friction responses they can use in the moment. The session ends by applying allyship to build shared agreements that reduce bias in communication and decision-making.
